

# CHECK OUT OUR FREE TRAINING SERVICES TODAY!

The Training Division of the South Carolina Department of Labor Licensing and Regulation's Office of Outreach and Education provides a variety of programs designed to reduce or eliminate safety and health hazards in general industry, construction, and the public sector. These programs are presented by trained personnel at convenient locations across the state. Most courses last about 1-2 hours and use a variety of audio-visual aids. This service is provided free of charge!
